The Institute of Theoretical Physics at the Faculty of Physics, University of Warsaw announces opening of a permanent Full Professor position in theoretical high energy physics and cosmology. We expect applications from candidates with an outstanding record of research who can take the leading role in continuing accomplishments of the Institute of Theoretical Physics and complement the existing expertise.

Candidates are expected to have the scientific title of professor of physics as specified by Polish Higher Education Act (http://www.nauka.gov.pl/fileadmin/user_upload/szkolnictwo/Reforma/20110523_USTAWA_z_dnia_27_lipca_2005.pdf), a record of major contributions to the field and research funding together with excellence in teaching at undergraduate and graduate levels. The successful applicant will give regular lecture courses and supervise graduate and postgraduate students. The teaching duties are at the level of 210 hours per academic year.

Candidates should submit their applications to the Dean’s Office, Faculty of Physics, University of Warsaw, ul. Hoża 69, 00-681 Warsaw, Poland (room 101) including:
1. Cover letter,
2. Curriculum Vitae (including e-mail address),
3. Copy of PhD diploma,
4. Copy of habilitation diploma,
5. list of publications with citation numbers,
6. Statement of research plans and teaching philosophy,
7. Three letters of recommendation. (The recommendation letters are confidential and have to be mailed directly to the Dean’s Office, Faculty of Physics),
