

JOB POSTING

| | |
|-------------|------------------------------------------|
| INSTITUTION | UNIVERSITY OF WARSAW, FACULTY OF PHYSICS |
| CITY | WARSAW, POLAND |
| POSITION | ASSISTANT PROFESSOR |
| DISCIPLINE | EXPERIMENTAL PHYSICS |
| POSTED | 7-MAY-2012 |
| EXPIRES | 22-MAY-2012 |
| KEY WORDS | EXPERIMENTAL PHYSICS |

DESCRIPTION:

Successful candidate must demonstrate a commitment to the experimental research carried out within the Institute of Experimental Physics, Faculty of Physics of the University of Warsaw. Successful candidate is also expected to be active in gaining externally funded research programs. Candidate is expected to carry the research work at external laboratories, according to the research subject. Successful candidate must demonstrate a commitment to teaching excellence in both introductory and advanced courses in his degree discipline. The teaching duties are at the level of 210 hours per academic year. The successful candidate will be employed for a period of 4 years.

A Ph.D. in physics is required, obtained in the area of experimental physics

The candidate should provide the following documents:

1. Application for the position required;
2. CV, including e-mail address;
3. Information about candidate's scientific career and teaching experience;
4. List of scientific publications;
5. Copy of PhD diploma;
6. Opinion about teaching experience. The opinion is confidential and has to be mailed directly by the responsible person.
7. At least 2 opinions from professors or senior staff members familiar with the candidate (including PhD supervisor). The opinions are confidential and have to be mailed directly.
8. Opinion of the future senior collaborator at the University of Warsaw, indicating the perspectives of scientific research.
9. University personal data form, available at www.bsp.adm.uw.edu.pl/tresci/form_druki/kwest1.rtf

The documents listed above as 2, 3, 4 and 8 have to be mailed as pdf files to the address:
ifd@fuw.edu.pl.

The candidate may be asked for a qualification interview with the commission appointed by the Council of the Faculty of Physics. The date of this interview will be set between 28th and 31st of May 2012; the candidates will be informed individually about the date. The decision of the commission will be taken not later than June 4th, 2012.
