

Talks by Janusz Rosiek

2014

1. Konferencja X Rencontres du Vietnam “Flavour Physics”, referat: Lepton Flavor Violation in the SM with general Dimension-6 Operators, 01/08/2014
2. Seminarium na University of Ioannina, 02/05/2014, Lepton Flavor Violation in the SM with general Dimension-6 Operators
3. Seminarium w KIT Karlsruhe, 07/03/2014, SUSY FLAVOR: a computational tool for FCNC and CP-violating processes in the MSSM.
4. Seminarium na WFUW, 07/03/2014, 20/01/2014, Lepton Flavor Violation in the SM with general Dimension-6 Operators

2013

1. Seminarium na WFUW, 14/05/2013, Multiprocess analysis of rare decays in supersymmetric models.

2012

1. Konferencja Rencontres du Vietnam “Beyond The Standard Model of Particle Physics”, referat: SUSY FLAVOR: a computational tool for FCNC and CP-violating processes in the MSSM, 19/07/2012.
