Postdoctoral Position in Theoretical Physics

Chair of the Theory of Particle Physics and Elementary Interactions, Warsaw University, invites applications for a postdoctoral position in theoretical particle physics and cosmology, starting in the fall 2006. The appointment will be for 2 years and the position is funded by the EU in the framework of Marie Curie Host Fellowships for the Transfer of Knowledge (ToK) Project: "Particle Physics and Cosmology: the Interface". Research interests of the particle theory group in Warsaw cover a broad range of topics in particle physics, astro-particle physics and cosmology (neutrino physics, lepton physics, B physics, grand unification, supersymmetry, supergravity, inflation, dark matter, dark energy).

Deadline for applications is **February 24th, 2006**. Applications should include CV, list of publications and a brief statement of research interests. Candidates should arrange for 3 letters of recommendation. Applications and letters of recommendation should preferably be sent by email to the address tok.warsaw@fuw.edu.pl or by regular mail to prof. Stefan Pokorski, Institute of Theoretical Physics, Warsaw University, Hoża 69, Pl-00-681 Warsaw.

More information and useful links can be found on the web page <http://www.fuw.edu.pl/~tok/>.
