## Two Senior Visitor Positions in Theoretical Physics

Chair of the Theory of Particle Physics and Elementary Interactions, Warsaw University, invites applications for 2 senior visitor positions in theoretical particle physics and cosmology, tenable in 2006. The appointments will be for 2 months each and the position is funded by the EU in the framework of Marie Curie Host Fellowships for the Transfer of Knowledge (ToK) Project: "Particle Physics and Cosmology: the Interface". Research interests of the particle theory group in Warsaw cover a broad range of topics in particle physics, astro-particle physics and cosmology (neutrino physics, lepton physics, B physics, grand unification, supersymmetry, supergravity, inflation, dark matter, dark energy).

Deadline for applications is **March 10th, 2006**. Applications should preferably be sent by email to the address [tok.warsaw@fuw.edu.pl](mailto:tok.warsaw@fuw.edu.pl) or by regular mail to prof. Stefan Pokorski, Institute of Theoretical Physics, Warsaw University, Hoża 69, Pl-00-681 Warsaw.

More information and useful links can be found on the web page <http://www.fuw.edu.pl/~tok/>.
